

Macy Corley

Post-baccalaureate
Radiation Epidemiology Branch;
Cancer Survivorship Research Unit

Education

BSN with Honors, RN, Professional Writing Minor, Leadership Minor, The Ohio State University

Scientific interests

Breast cancer survivorship, Primary care and preventative health, Scholarly writing, Integrating nursing principles into research

I applied to iCURE because...

I applied to iCURE to develop as a nurse scientist in an environment that promotes scientific discovery and collaboration. By integrating my clinical knowledge and scholarly writing skills into breast cancer survivorship research, I will enter the field of clinical research with the expertise imperative for systematic change.

A fun fact about myself is...

I completed my first half ironman this summer, placing 6th in my age group.

A few of my favorite things...

Favorite Book: *Tale of Two Cities*, Favorite Movie: *Little Women*, Favorite Dessert: Any combination of ice cream

In my spare time, I enjoy...

I love being active outdoors, attempting new recipes in the kitchen, and spending time with family and friends.

My hometown is...

Cincinnati, Ohio
