

Ludmila Prokunina-Olsson, PhD

Chief, Senior Investigator
Laboratory of Translational Genomics
DCEG Shady Grove

Words to live by...

"Help me to do it myself," which goes in both directions—I help you; you help me.

What is your favorite thing about working at NCI?

The opportunity to address important questions

In my spare time, I enjoy...

I like traveling, spending time with my family, gardening, and knitting (but, unfortunately, no time for it anymore).

My favorite traditions/holidays...

Celebrating Midsummer, which is an old tradition in Sweden
