

Martin J. Schnermann, PhD

Senior Investigator
Chemical Biology Laboratory
CCR Frederick

Words to live by...

You miss every shot you don't take (Kobe Bryant and many others).

What is your favorite thing about working at NCI?

The freedom, and time, to work on hard, important problems using approaches that would be really hard to do anywhere else

In my spare time, I enjoy...

I play tennis and spend most of my time parenting/chasing a 4-year-old and 2-year-old.

My favorite traditions/holidays...

Thanksgiving
