

PACHE - Principal Investigators Meeting

EVALUATION

Moderator: Isabel Scarinci

- Common metrics for evaluation
- Common metrics to assess programmatic impact
- Methods of measuring overall partnership impact, how to quantify the impact of the program's outreach efforts (and research and education)
- Measurement impact of partnership on community health as it relates to cancer

EDUCATION/CAREER DEVELOPMENT

Moderator: Jani Ingram

- Creation of an integrative research/education enterprise across cores and across institutions
- Innovative strategies to track scholars
- How to best monitor career successes of trainees and if there were common sets of standards for these results/outcomes among the partnerships that would be helpful
- Shared experiences in the education and capacity-building activities
- How CPACHE investigators would learn from the best practices on pilot/full-projects and shared research resource cores to enhance competitiveness of trainees and their career development progression to independence

PARTNERSHIP COLLABORATIONS

Moderator: Teresita Antonia

- Inter-partnership collaborative research projects and grant applications
- Collaboration and leveraging of the work of all partnerships
- How CPACHE investigators could help each other in a collaborative team science approach
- How CPACHE PIs could help establish mini-symposiums and technical assistance workshops on a regional basis utilizing GMaP/NON/TN framework and resource
- Building of shared resources that are valuable for the partnership

OUTREACH—LINK TO UNDERSERVED POPULATIONS

Moderator: Elena Martinez

- Models for successful PACHE Outreach Core activities and measurement of outcomes related to them
- Integration of PACHE partnership activities and initiatives into the new FOA for P30 applications (i.e., new COE initiative)
- How CPACHE PIs could take a leadership role in the establishment of P30 COE CCSG renewals
- Biospecimen research and precision medicine research in underserved populations

SPECIFIC ISSUES FOR MINORITY-SERVING INSTITUTIONS

Moderator: Karen Hubbard

- Postaward fiscal management
- Institutional support for release time
- Cultural changes needed at MSIs for research
