- 9:50 – 10:00 AM** **Break and Poster Setup**
- 10:00 AM – Noon** **Plenary Interactive Session: Resilience in the Job Search**
Dr. Sharon Milgram
NIH Office of Intramural Training and Education
- Navigating the career exploration process, new jobs, and research careers can seem overwhelming and lead us to doubt ourselves just when we need confidence the most. In this interactive session, we will discuss attitudes and behaviors that can get in our way and explore strategies for building resilience and dealing with self-doubt and developing our confidence. The workshop will highlight competencies needed for success in research and healthcare careers and provide insights into approaches for developing these competencies as part of your training experience.

Agenda

- Noon – 1:00 PM** **Lunch (on your own)**
- 1:00 – 3:00 PM** **Concurrent Interactive Session: Applied Improv for Science Communication**
Dr. John Windmueller
Washington Improv Theater

Facilitators: Dr. Elizabeth Perruccio, Dr. Elena Schwartz, and Ms. Sandra San Miguel
NCI CRCHD

Washington Improv Theater will lead an interactive session where participants will learn and rehearse techniques to become more effective and engaging in communicating their science.
- 3:00 – 3:15 PM** **Break**
- 3:15 – 4:15 PM** **Plenary Session: Perspectives on the Academic Job Search**
Moderator: Dr. LeeAnn Bailey
NCI CRCHD
- 3:15 – 3:45 PM** **Perspectives on How Universities and Cancer Centers Recruit, Promote, and Award Tenure to Faculty**
Dr. Kevin Cullen
Director, Greenbaum Cancer Center
Dr. Bruce Jarrell
Provost, University of Maryland, Baltimore
- 3:45 – 4:15 PM** **Discussion**
- 4:15 – 5:15 PM** **Poster Flash Talks**
Moderators: Drs. Hana Odeh and Nicole McNeil Ford
NCI CRCHD

Special Guest Time Keeper: Mr. Asher Bailey
21 posters, 2 minutes each
- 5:15 – 6:00 PM** **Networking, Poster Visits, and Voting**
Mr. Fred Snyder
NCI CRCHD
- 6:00 – 6:15 PM** **Evaluation and Adjournment of First Day**

Agenda

Professional Development Workshop Friday, June 29, 2018

Shady Grove TE406/408/410

7:30 – 8:30 AM	Registration
8:30 – 8:45 AM	Recap of Day 1 and Poster Awards Dr. Mary Ann S. Van Duyn <i>NCI CRCHD</i>
8:45 – 10:30 AM	Plenary Session: Publishing Insights & Resources Dr. Angela Welch <i>Elsevier</i> Participants will learn what to consider when preparing a manuscript and how to successfully navigate the peer-review process. Participants will also learn about the Researcher Academy, Elsevier's free, e-learning modules and resources to guide you through each stage of the research cycle—from research/grant proposals to peer-review publication and demonstrating impact.
10:30 – 10:45 AM	Break
10:45 – 11:45 AM	Plenary Interactive Session: What Is Your Slogan? Moderator: Dr. Tiffany Wallace <i>NCI CRCHD</i> Participants will work in small groups to identify item(s) of the most benefit learned at this workshop. Small groups will then compose slogans to share with all attendees.
11:45 AM – Noon	Closing Remarks, Adjournment, and Evaluation Dr. Peter Ogunbiyi <i>NCI CRCHD</i>

Agenda

PDW Mock Review Session Friday, June 29, 2018
