

## Sasheen P. Hamilton, PhD

Postdoctoral Fellow  
CCR Bethesda

### Education

Ph.D., Biophysical Oncology, Roswell Park Comprehensive Cancer Center, University at Buffalo

M.A., Biochemistry, University at Buffalo  
B.S., Biological Science, Cornell University

### Scientific Interests

- Translational research
- Clinical oncological research

### I applied to iCURE because...

To gain an overall rewarding postdoctoral experience which will allow me to become an independent scientist

### My favorite traditions/holidays...

- Christmas—my tradition is creating a Christmas card each year.
- Halloween, once our daughter arrives

### My hometown is...

Linstead, St. Catherine, Jamaica

### In my spare time, I enjoy...

- Exploring new adventures with my husband (travel, hiking, food, etc.)
- Talking with and visiting friends and family

### A few of my favorite things...

- Practicing yoga
- Taking my husband with me to the yoga studio (he only went there twice🙄)
- Watching medical and criminal drama shows

## Freddy E. Escorcia, MD, PhD

NIH Distinguished Scholar  
Physician-Scientist Early Investigator  
Molecular Imaging Branch  
CCR Bethesda

### Words to live by...

*"If I have seen further it is by standing on the shoulders of the Giants."*  
—Issac Newton

### What is your favorite thing about working at NCI?

The collaborative environment and freedom to pursue high-risk/high-reward projects

### In my spare time, I enjoy...

I enjoy hiking with my spouse and children; I brew beer and partake in weight training.

### My favorite traditions/holidays...

My favorite cultural tradition is Thanksgiving.
