Words to live by...

*"There is no greater agony than bearing an untold story inside you."
—Maya Angelou*

What is your favorite thing about working at NCI?

Working with many different people and perspectives to build collaborations to overcome cancer and health challenges

In my spare time, I enjoy...

- Spending time with my daughter at the zoo or the museums
- Supporting the San Antonio Spurs!
- Practicing guitar and capoeira

My favorite traditions/holidays...

I love coordinating Halloween costumes with my daughter and enjoy the summertime beach getaway!
