

Terri S. Armstrong, PhD

Neuro-Oncology Branch
NIH Campus, Bethesda

Words to live by...

To know what you know and what you don't know, that is true knowledge

What is your favorite thing about working at NCI?

Two things! The intellectual freedom and collaborations!

In my spare time, I enjoy...

I enjoy traveling internationally with my family, gardening, adopting and adding rescue dogs to my family, and remodeling older homes

My favorite traditions/holidays...

Thanksgiving is a great time of year and enjoy 'friendsgiving' that weekend
