

## Mark B. Lewandoski, PhD

Cancer and Developmental Biology  
Laboratory  
NCI Frederick

### Words to live by...

*A life in science is more than a mere job, it is a calling.*

### What is your favorite thing about working at NCI?

Great colleagues, support and resources.

### In my spare time, I enjoy...

I love music, especially piano, synthesizers and avant grade. I also love reading literature, often science fiction.

### My favorite traditions/holidays...

Christmas
