

Noe E. Crespo, PhD

Postdoctoral Fellow
NCI Frederick

Education

Ph.D., Biochemistry, University of Puerto Rico

B.S., Chemistry, University of Puerto Rico

Scientific Interests

- Bioinformatics
- Drug Discovery and Protein engineering

I applied to iCURE because...

I found iCure goals to be aligned to my personal goals which are; Scholar toward independence, Diverse background and Cancer Research.

My favorite traditions/holidays...

The holiday I most enjoyed is Christmas, and the longest one is in Puerto Rico!

My hometown is...

Born in New York and raised in San Juan, Puerto Rico

In my spare time, I enjoy...

I like to Hike, Golf, and Paddleboard

A few of my favorite things...

- Coffee
- Arroz con gandules (Rice with green peas)
- Visiting Spain
