

Amran A. Nur

Postbaccalaureate
NIH Campus, Bethesda

Education

B.A., Physiology and Biology, Society, and Environment (BSE), University of Minnesota

Scientific Interests

I am interested in immunology, particularly tumor immunology research.

I applied to iCURE because...

I applied to the iCURE program because I felt that it would be a wonderful and supportive program that would train me in cancer research. I am thrilled to have the opportunity to learn from researchers with different expertise, receive mentorship, and to do cancer research.

My favorite traditions/holidays...

My favorite holiday is Eid. It's filled with great food, gifts, and spending quality time with family.

My hometown is...

I grew up in Maine and Minnesota.

In my spare time, I enjoy...

I enjoy traveling, writing, basketball, and hiking.

A few of my favorite things...

- Favorite book: The Alchemist
- Favorite show: New Girl
- Favorite food: Malawax (Somali crepes)
