CCR Bethesda

Education

BS, Cell Biology and Genetics, University of Maryland

Scientific Interests

- Cancer biology
- Immunology
- Therapeutic development
- Immunotherapy

I applied to iCURE because...

I wanted to explore my research interests and have a mentorship network to support my professional development.

My favorite traditions/holidays...

My favorite holiday is Christmas.

My hometown is...

I was born in El Salvador and grew up in Virginia.

In my spare time, I enjoy...

In my free time, I enjoy traveling with friends and playing tennis. I'm always on the lookout for a good book.

A few of my favorite things...

My favorite place to travel is back home to El Salvador; the people are very welcoming. My favorite desert is arroz en leche (rice pudding). One of my favorite books is *The Book Thief* by Markus Zusak.
